Your Support:

This evening is a Thank You to all who have supported our troop over the past 15 years, and provides a way to continue the support of this worthwhile cause.

Tonight's proceeds will help defray the cost of our camps and contribute to the replenishment of our scouting supplies. By being here tonight, you are helping to send our scouts to annual training programs, such as the summer leadership camp in Fillmore, NY, and to the upcoming "Jubi Tábor" (Jamboree), where more than 800 Hungarian scouts from around the world gather for 10 days.

About Our Scout Troop:

Hungarian scouting in the Boston area goes back as far as the 1970's, with a troop named after Count István Tisza. This troop was active for only a few years, before entering a period of hiatus for over a quarter century. Fifteen years ago, a new generation of enthusiastic parents and leaders decided to revive the Boston-area scouting program. Thanks to their efforts, the new troop was accepted into the Hungarian Scouts in Exteris (KMCsSz). It was named after Gábor Bodnár, one of the founders of the exiled Hungarian scouting movement, in honor of his tireless work and methods that form the basis of our scouting program today.

Currently, our troop is a mixed group of 80+ boys and girls from four states who meet bi-weekly and work in 12 patrols, led by 20 junior leaders, most of them locally trained.

The Boston troop participates regularly not only in local activities, but meets district-wide with fellow scouts from New York; Garfield and New Brunswick, NJ; Wallingford, CT; Washington, D.C.; and Montréal, Que, Canada.
